

# In autumn...

mist and clouds blow  
over the sun

birds eat berries

mushrooms grow

leaves change colour

fruit ripens

squirrels hide  
nuts

birds fly to  
warmer places

What animals can you see on the page?  
Can you name them all?

Is it warm enough for ice cream?

No! But it's windy enough to fly a kite and...

watch a windmill spin

sail a boat

lean into the wind

catch falling leaves

What other activities do you like to do in Autumn?
