

LOOK OUT, LEONARD!

Can you guide Leonard through
this maze to his family? Watch out
for the other animals along the way.

THE WRONG TAIL!

Leonard should be holding onto his brother's tail so he doesn't get lost. But he keeps grabbing the wrong tail! Can you match up the tails to the animals?

- A. CROCODILE
- B. MONKEY
- C. SNAKE
- D. TIGER
- E. SHREW

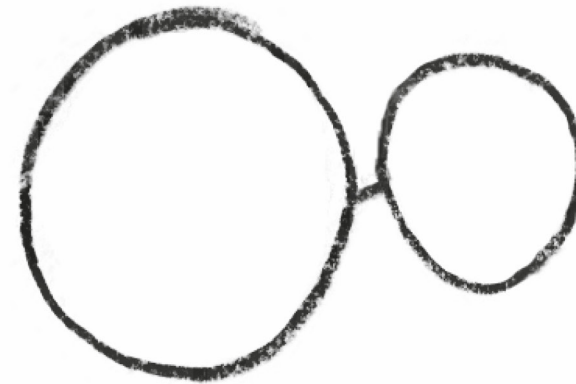

Shrews have excellent senses of hearing and smell, but poor eyesight - which might explain why Leonard is always getting into jams

LOOK OUT, !

Write your name here!

Join Leonard in the jungle. Colour in Leonard and draw yourself wearing Leonard's glasses! Remember to hold onto the right tail and stay together on your adventure!
