

Little Cities

Let's do a little sightseeing.

Pretend you are on a trip across the United States that takes you to all of the cities listed below. Each of the pictures on the right shows one special thing about a certain city on your list. Match each picture to the city where you might see it, and keep an eye out for the real thing if you visit one day!

_____ **Austin**

_____ **Boston**

_____ **Chicago**

_____ **New York**

_____ **San Francisco**

_____ **Seattle**

A. Cloud Gate

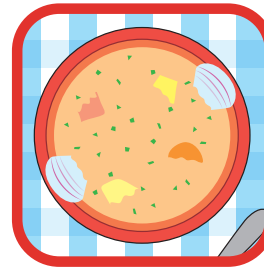

B. Sea Lion

C. Yellow Cab

D. Bat Colony

E. New England Clam Chowder

F. Space Needle

Now, it's your turn to be the tour guide.

If someone were to visit your hometown, what are some things you might show them? Create and color in a picture of those things below. You could include a park where you like spending time, a restaurant that serves really good food, or even a particular plant or animal that lives nearby.

Answers: Austin: A, New York: C, Chicago: E, Boston: B, San Francisco: D, Seattle: F

For the curious
