Myths and Legends!

Draw a
dragon!

colour
me in

Zhulong the
Candle Dragon

It is thought that this impressive torch
dragon from Chinese mythology created
the seasonal winds when breathing.

Whoosh...

When he breathes out, it's winter and
when he breathes in, it is summer.

colourful flowers
and skulls!

Dia de los Muertos

Day of the Dead - Dia de los Muertos, is a celebration of life and death. Originating in Mexico, this colourful autumnal festival welcomes back the souls of departed family for a brief get-together.
