# Identify the Houseplant

Learn the names of these common houseplants and have fun creating wild pot designs!

Boston Fern

Aloe Vera

String of Pearls

Fiddle Leaf Fig

Money Plant

Cactus

Monstera

Zebrina

Snake Plant

Rubber Plant

Pothos

## Cozy Qs

How was Agnes a good friend to the sheep?

Were the sheep good friends to Agnes?

Why do you think the sheep wanted the houseplants when they already had lots of plants? Have you ever felt like the sheep?

What else do you think the sheep did in the house? (My daughter thinks they baked a cake and ate it!)

Why did Agnes say, “You cannot appreciate what you have got, if you focus on what you have not”?

Do you think the sheep learned their lesson? Why or why not?

What are the things that you have, that you appreciate?

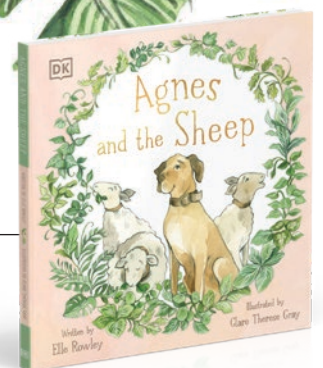

Can you think of five things you’re grateful for?
