No.1 for Gardening Books

A WORD FROM OUR PUBLISHER.

At DK, we're proud to be the nation's number one publisher of gardening books; from bestselling and beautifully designed books, to innovative, category killing reference. We bring together the leading voices in gardening to share their expertise across a wide range of topics, for the weekend hobbyists, enthusiastic learners and the green-fingered pros, our number one range has something for every kind of gardener.

We are committed to growing the next generation of gardening authors – from our partnership with the RHS to new and emerging talent. In 2024, our global family of authoritative authors and partners bring you money-saving tips, advice on growing your own in any space (even on a balcony), urban and sustainable gardening projects, tiny terrarium worlds... along with all of the essential tips and advice for year-round gardening.

MEET THE AUTHORS.

ADAM FROST

Adam is a landscape designer, TV presenter and co-founder of the Homebase Garden Academy, best known for his successes at RHS Chelsea Flower Show and for presenting *Gardeners' World* (BBC Two). His love for the great outdoors started at a young age, when he helped on his grandparents' allotment. His fascination with watching plants and vegetables grow and the wildlife they attracted has stayed with him, and he remains passionate about passing this on to fellow gardeners and future generations.
