

A large, detailed photograph of a chrysanthemum flower with numerous long, pointed petals in shades of pink and white, set against a green background. The flower is centered and partially enclosed by a white rectangular frame.

GARDENING

No.1 for Gardening Books

2024–2025 Issue 2

**GARDEN
YOUR WAY
WITH DK.**

No.1 for Gardening Books

A WORD FROM OUR PUBLISHER.

At DK, we're proud to be the nation's number one publisher of gardening books; from bestselling and beautifully designed books, to innovative, category killing reference. We bring together the leading voices in gardening to share their expertise across a wide range of topics, for the weekend hobbyists, enthusiastic learners and the green-fingered pros, our number 1 range has something for every kind of gardener.

We are committed to growing the next generation of gardening authors – from our partnership with the RHS to new and emerging talent. Our global family of authoritative authors and partners bring you money-saving tips, advice on growing your own in any space (even on a balcony), urban and sustainable gardening projects, tiny terrarium worlds... along with all of the essential tips and advice for year-round gardening.

Garden your way, with DK.

Ruth O'Rourke, Editorial Manager
