2024–2025

# WELCOME TO THE 2024-2025 DK LEARNING CATALOGUE.

DK Learning has lots of exciting new books and resources to help support the brilliant work you are doing with children in your classroom.

DK Learning titles feature entertaining and informative content on topics sure to engage every reader! From books to help children of all ages learn to read to series on high-interest topics, DK inspires a love of reading and a thirst for knowledge about the world.

Our Phonic Books Dandelion series provides explicit, systematic, and comprehensive phonic instruction with 20 units of decodable books to support students learning letter-sound correspondences. The accompanying activity books provide a classroom resource and the teacher books provide explicit instructional support, including lesson plans.

Support older struggling readers with the brilliant Phonic Books catch-up series of exciting, age-appropriate books with lower-level phonetically decodable content. This collection of titles is perfect for engaging struggling and reluctant readers, those with English as an additional language, and those with dyslexia.

Children can become reading heroes with DK Super Readers, levelled readers introducing engaging real world topics and essential non-fiction reading skills. We've got animals, structures, natural phenomena, and dinosaurs galore. These imaginative and informative books will inspire curious minds and engender a lifelong love of reading.

DK offers an abundance of non-fiction and reference titles to explore, all designed to help children build their knowledge and develop passion and enthusiasm for learning.

For 50 years DK has been trusted by educators and parents to create books which engage and delight children in discovering knowledge about the world around them. We promise to continue to publish resources that inspire and support students and teachers, while providing parents with reassurance in guiding their child's learning at home.

With DK Learning, knowledge is an adventure.

# WHAT DO EDUCATORS THINK OF DK LEARNING?

"I love DK Super Readers because they are **inspiring, engaging, and educational** and they are also mapped to the curriculum. I've also been loving their lesson plans and teaching resources and they've got so many different topics and texts which you can use in the classroom."

AMY MCAVOY, PRIMARY TEACHER

"I tout English For Everyone every chance I get because it's **staggeringly brilliant** in every regard. EFE actually succeeds where most others have failed – the English language is broken down into its most basic components and then repackaged in a way that is accessible to everyone."

ENGLISH LANGUAGE TEACHER, GERMANY

"We absolutely love the DK books here. They are such a **stunning and beautiful resource** for our children to use and explore."

PRIMARY TEACHER

"As a first year Early Career Teacher, I have found the DK Learning website to be **an invaluable resource** when planning my lessons. Not only is the content covering a wide range of curriculum areas, but being from a trusted publisher, it is of an extremely high quality – as I would expect from DK. The activities and resources have come from beautiful books that **translate key curriculum content in an engaging and relatable way** for my KS2 pupils."

LARA LOPEZ, EARLY CAREER TEACHER

"Phonic Books are **the best decodable books** out there."

BARBARA STEINBERG, FOUNDER AND CEO OF PDX READING SPECIALIST

"The book, Adventures with Finn and Skip: Forest, and the lesson learnt themselves to more than one curriculum subject. Like a golden thread, **the topic intertwined our literacy, geography, science, art, DT, and even maths.**"

EDD MOORE, PRIMARY TEACHER AND ECO-COORDINATOR

"Thank you for sharing Phonic Books with the world, and especially with our readers. **We feel very lucky to have found, purchased, and used your materials.**"

BRIN TUCKER, M.ED, TEACHER AND ACADEMIC INTERVENTIONIST

"My class love non-fiction text so I've been on the lookout to add to our reading corner. I came across these **incredible non-fiction books** for readers aged 3-11, they are from DK Super Readers. I added them to our class reading corner, I can't wait for my class to enjoy them!"

KIT BROWN, PRIMARY TEACHER

# Decodable Books

## Fiction & non-fiction sets for beginner and older readers

Build solid reading foundations  
with truly decodable books

# Launchers

**Dandelion Launchers is a fully decodable phonics series for beginner readers.**

Each unit introduces new letters/sounds while supporting previously taught phonic letters/sounds and high-frequency words. A game is included at the back of each book, offering a fun way to practise the new phonic skills and knowledge introduced in each unit.

**“Phonic Books  
are the best  
decodable books  
out there.”**

**Barbara Steinberg,**  
Founder and CEO of PDX  
Reading Specialist

*Dandelion World is the parallel series to Dandelion Launchers, and covers a range of engaging non-fiction topics.*

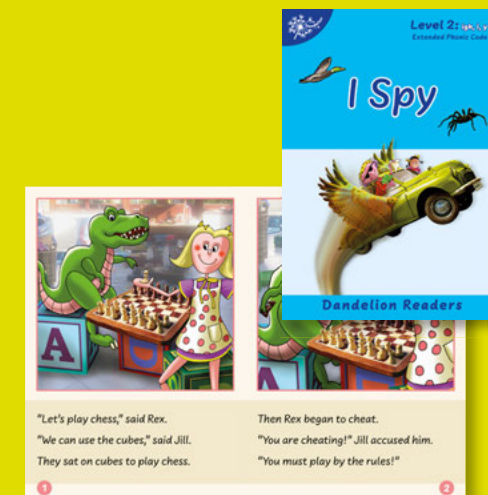

Each book includes a non-fiction knowledge builder feature for children and adults to read together. This is a fun way to enhance vocabulary and deepen comprehension of the book's content.

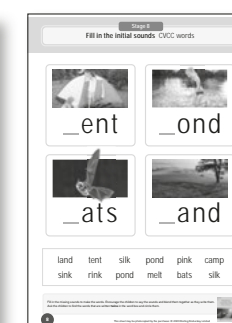

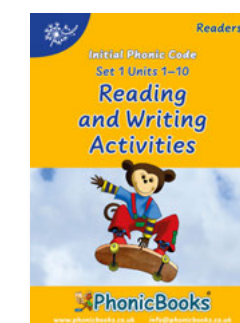

# Readers

**Dandelion Readers is a series of books for beginner readers.**

The Readers Sets cover the initial phonic code, while the Readers Vowel Spellings introduce different spellings for vowel sounds. More text is included on each page to build reading stamina. A helpful Reading Practice section allows further practice of each new spelling taught. In all series, the phonic focus for the book is listed on the front cover.

**Each Dandelion series has accompanying books with photocopiable activities for you to use in the classroom or as reading interventions.**

Activities correspond to the individual readers within the set.

# Dandelion Card Games

Offer practice and consolidation of phonic skills with a fun card game.

Discover six beautifully designed playing card games that offer practice and consolidation of phonic skills for beginner readers. Starting at CVC word level, the sets introduce consonant digraphs and alternative spellings for vowel sounds. There is also a word building set to encourage confidence in reading.

# Catch-up readers

Decodable books perfect for Tier 2 and Tier 3 intervention programmes

Develop confident readers and reading fluency

## Fantasy and adventure stories for age 8 and above

Use the catch-up readers for summer reading intervention programmes

### Practise phonics with Phonic Books decodable books

Help pupils develop skills key to becoming proficient readers – blending, segmenting, and phoneme manipulation – and develop reading fluency, comprehension, spelling, writing, and vocabulary.

#### Blending

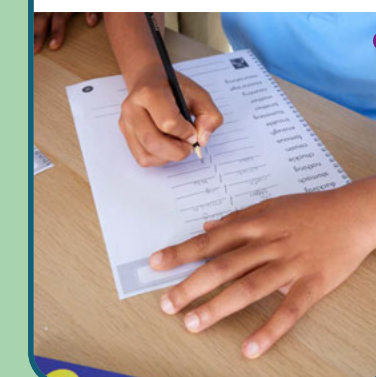

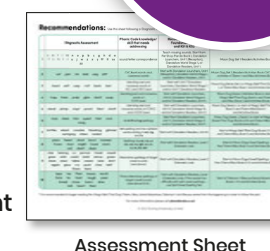

- Push together the sounds to make a word.
- Sound out the graphemes (spellings) and blend the sounds into words.

#### Segmenting

- Break a word into its component sounds.
- Write each sound (phoneme) with the letters that spell the sound.

**1 Assess where they are**

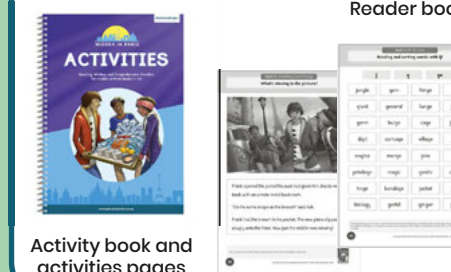

When a pupil begins a reading intervention programme it is important to assess where the pupil is at, what knowledge and skills they have, and what they need to learn.

### 2 Select a set of Phonic Books based on the recommendation

### 3 Work through the books and the corresponding activities in the activity book

### Phonics-based decodable books for older readers

- Ideal for practising specific decoding patterns in the context of a larger narrative
- Each book focuses on a set of letter sounds and spelling patterns for readers to practise
- Engaging stories and graphic novel-style illustrations
- Action-packed stories in short books
- Parallel sets provide many opportunities to teach and practise decoding skills

### Activity books

- Offer comprehension, blending, writing, and spelling activities
- Develop skills key to becoming a proficient reader (blending, segmenting, and phoneme manipulation)
- Provide a simple and effective way for pupils to develop their reading and spelling
- Use the set of readers with the corresponding activity book
- Some of the activities precede reading the books

Reading is my superpower

Enter the wonderful world of non-fiction!

DK Super Readers is an evolution of the ever popular DK Readers series which have sold over 600,000 copies.

For readers aged 3 to 11, the series explores the exciting world of dinosaurs, animals, natural wonders and more! All while developing vital non-fiction reading skills. Each title integrates science, geography, history, and nature topics.

The Five Levels increase in complexity and developmental appropriateness.

The beautifully designed DK Super Readers series:

- covers engaging, motivating, curriculum-aligned topics.
- provides carefully levelled content.
- perfectly supplements core literacy programmes.
- builds knowledge while progressing reading skills.
- develops subject vocabulary.
- gradually introduces features for using non-fiction.
- boosts understanding and retention through comprehension quizzes.
- includes online support for educators and parents, in line with current best practice in teaching reading.

Pre-level

Learning to Read

For children ready to enter the world of reading. Introduces children to the wonder of non-fiction.

Level 1

Beginning to Read

For children beginning to read with help. Builds vocabulary through a non-fiction world of amazing facts.

Level 2

Beginning to Read Independently

For children beginning to read independently. Expands subject knowledge and vocabulary for young readers who want to learn more about the world around them.

Level 3

Reading Independently

For newly independent readers ready to advance. Motivates children to improve their non-fiction reading skills and understand more about exciting topics.

Level 4

Reading Confidently

For confident readers who are ready for a challenge. Challenges young readers to broaden their subject knowledge and hone their non-fiction reading skills.

Choosing a DK Super Readers Level

DK Super Readers has been levelled using MetaMetrics®: The Lexile Framework for Reading. This is a scientific approach to measuring both reading ability and the difficulty of materials on the same developmental scale.

For children who are learning English as a foreign language, we have also provided a Common European Framework of Reference for Languages (CEFR) Level.

The table below shows the Lexile range for each of our levels alongside age range, year group, approximate Bookband colour, and CEFR level.

DK Super Readers Level	Age	UK School Year	Lexile range	Bookband colour	CEFR
