

TIERED MIDI DRESS PATTERN

How to piece together and use your pattern

- 1** Download this PDF pattern to your computer, and print it out.
The pages will be labelled in the order that they fit together.
- 2** Trim the white margins from the printed pages, and tape the pages together, using the letters and gridlines as a guide (see example in the diagram below).
- 3** Refer to the body measurement charts on p.342 to select a size.
Use the key on the pattern to find the line for your chosen size and cut around it.
- 4** A seam allowance of 1.5cm ($\frac{5}{8}$ in) is included in the pattern pieces. After you have cut out the pattern pieces in your size, you may wish to add seamlines 1.5cm ($\frac{5}{8}$ in) inside the cutting lines (see p.343). One square in the grid equals 5cm²; you will also find a 10cm² test square on the pattern to make sure that the pattern has printed at the correct size.
