**S.I.C.A. S.S. School No.2, Indore**

2009-2021

97.2% in 12th Grade

95.4% in 10th Grade

## TECHNICAL PROJECTS

- **Job Search Website**

A modern job search platform built with the **MERN stack**, **ShadCN UI**, **Tailwind CSS**, and **Redux** for seamless **job browsing**, **application tracking**, and **employer interactions**. It features an intuitive UI, job updates, **authentication**, and a smooth user experience for both job seekers and recruiters.

- **Appointment Booking Web Application**

A full-stack web application built using the **MERN Stack (MongoDB, Express.js, React, Node.js)** and **Tailwind CSS**. It enables users to **book**, **view**, and **cancel doctor appointments**, with integrated **online payment functionality**. Users can browse available doctors based on specialization and availability. An intuitive **admin panel** allows administrators to manage doctor listings and **view or cancel appointments** from their side.
