

GETTING STARTED

Claim Your Account

Have your store be more readily found in search engine results as a nearby place to buy the brands you carry. Incorporate store reviews directly into your online profile.

FREE
paid for by your brand partners

Enhance Your Listing

Manage your store's appearance, opening hours, social media links, and contact information on brand's store locators, locally.com, and more.

FREE
paid for by your brand partners

THE MAIN STUFF

Display your inventory on brand websites

Integrate your inventory and display it in search results, on brand sites, on social media, and even on your own site (via Locally Pages).

FREE
paid for by your brand partners

Capture Sales for Store Pickup

Accept transactions for in-store and curbside pickup with Buy It Locally. Includes both Reserve Online, Pay In-store (ROPIS) and Buy Online, Pickup In-store (BOPIS) order types.

3.5%
fee on successful transactions

Activate Same-Day Delivery

Our delivery partner Postmates can get your customers their purchase faster than any online merchant. Coming soon: Uber same-day delivery.

\$10/mo

EVERYTHING ELSE REQUIRES BUY IT LOCALLY

Locally Pages

Drop your in-stock inventory onto your own site, blog, or Facebook page and collect sales for pickup or delivery without any coding skills. As simple as sharing a YouTube video.

FREE

Get your Inventory on Google

Locally's verified Google integration adds your inventory to multiple Google platforms; Google Search, Google Shopping, Google Images, Google Maps, Google My Business, and more.

\$49/mo
per store

Power Shopify sites with SyncLocally

In partnership with SyncLocally, generate a complete Shopify feed (including images and descriptions) to launch your own eCommerce site.

\$99/mo
per store plus app fees

Automate local ads with ShopCast

Automate your digital marketing based on what you have in-stock right now across Google, Facebook, and Instagram. Accept transactions on custom mystore.locally.com landing pages.

\$99/mo
per store plus ad costs
