INNOVATION AND TECHNOLOGY

JOEY POUCH®

Constructed with premium fabrics, the patented Joey Pouch delivers the perfect fit while preventing unwanted skin contact.

NO-DRIP-TIP™

Our thermal reduction fabric features a hydrophobic membrane that quickly disperses unwanted moisture for a soft, comfy, and dry environment. Stay cool. Stay comfy.

STITCHING

Our flatlocked stitching and construction seams are intelligently placed to avoid potential rub zones for a seamless look and feel.

BAND

2UNDR uses the highest quality yarn in our roll-resistant waistbands. The comfort is unrivaled and reinforced to maximize flexibility and feel.

FABRIC

Our premium fabrics are silky soft, featherlight, and non-pilling to deliver the best feel.

FLY

No need to drop your pants in the water closet. The fly allows for increased air-flow and provides in-your-pants air conditioning.

SWING SHIFT

ACTIVE COMFORT

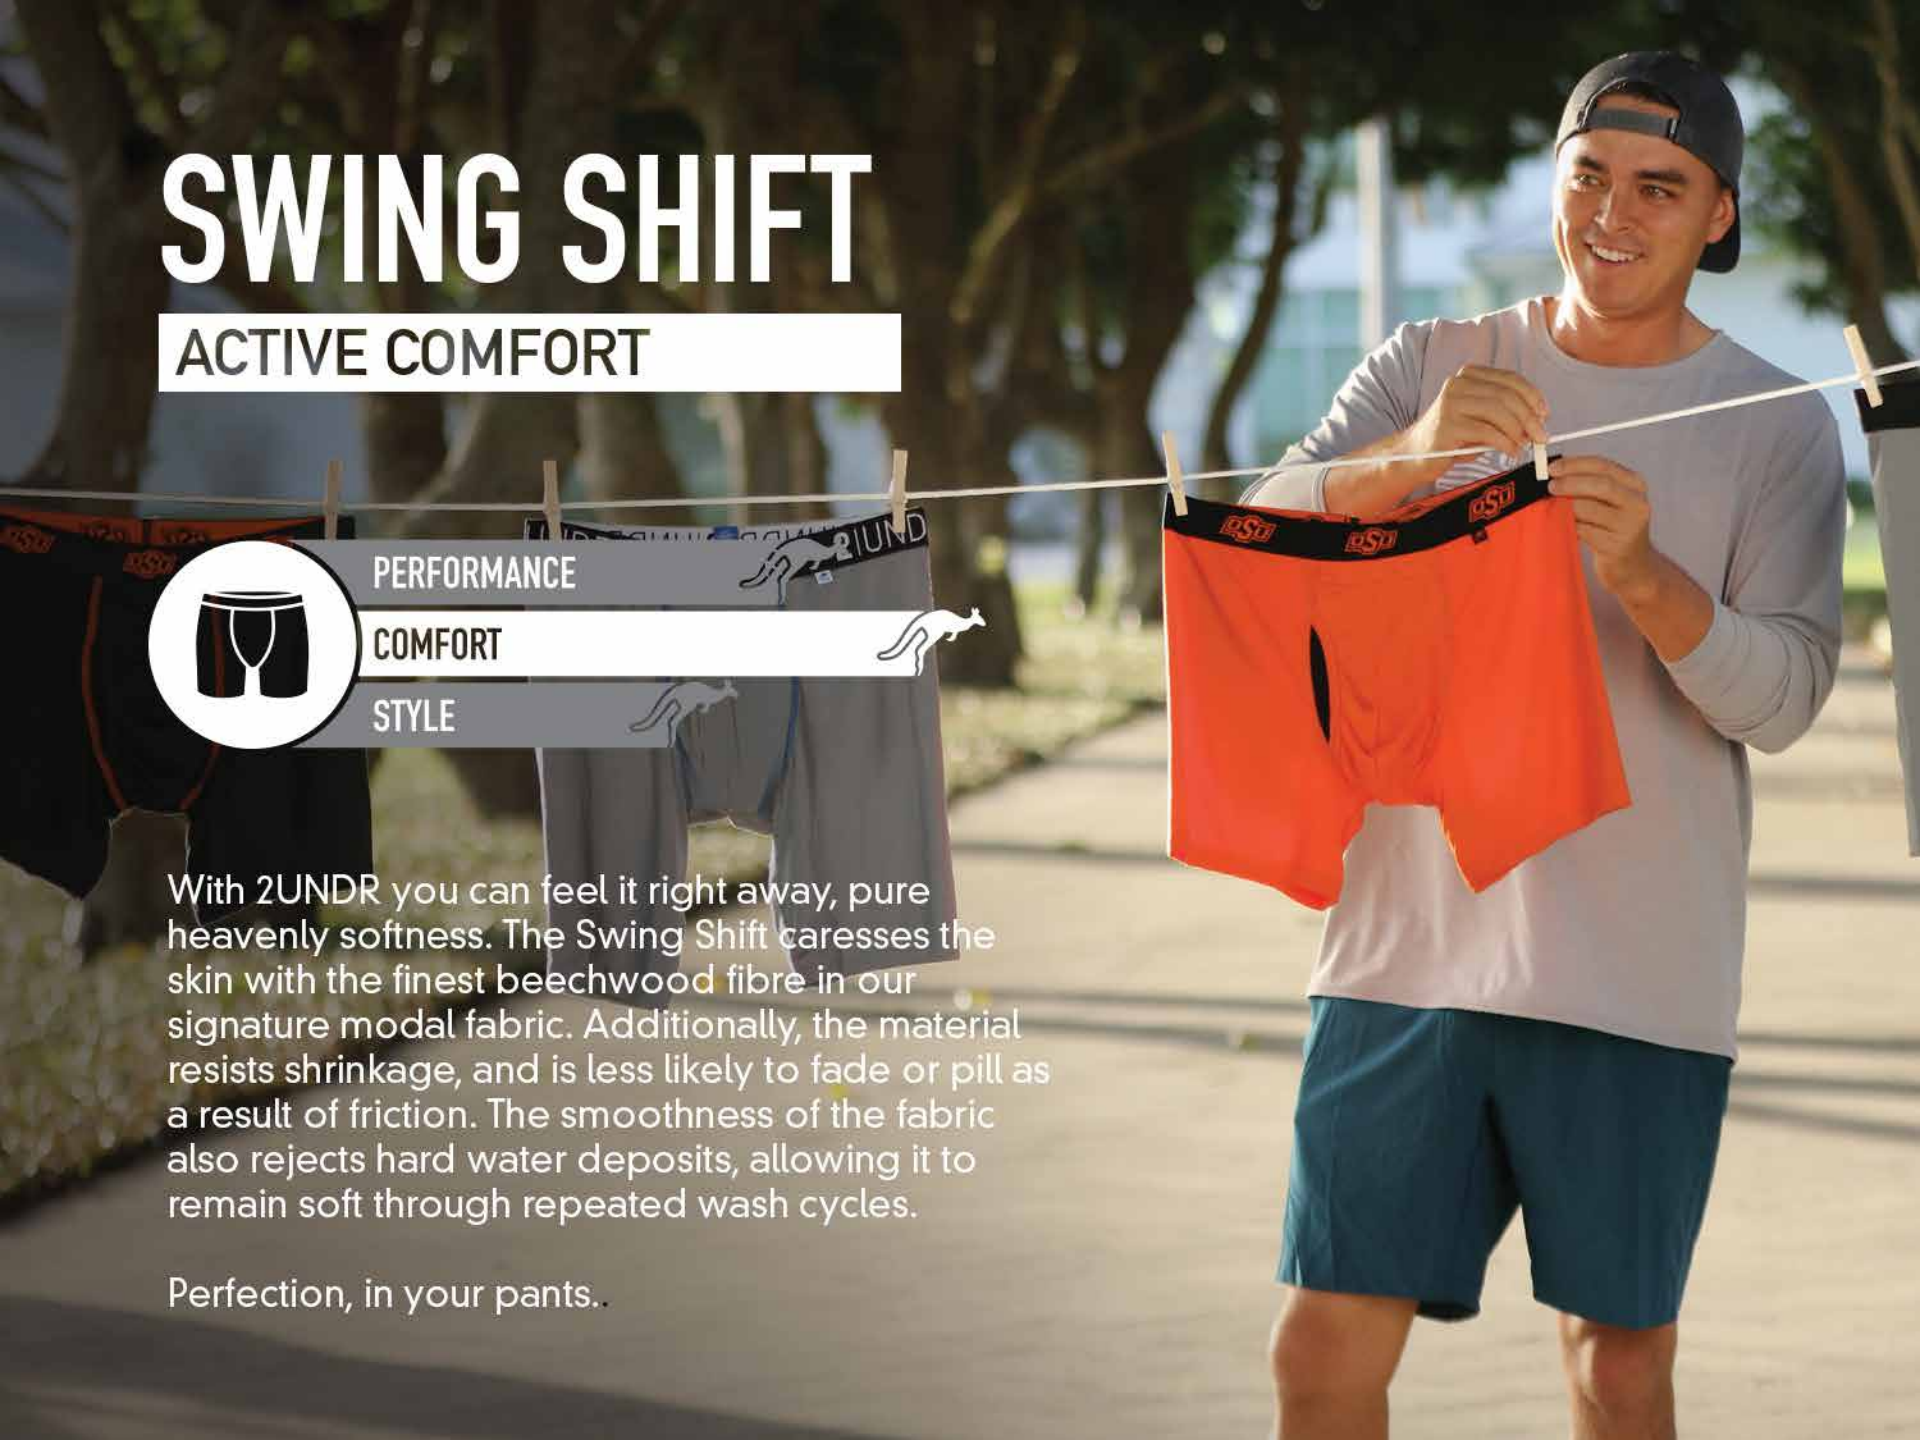

PERFORMANCE

COMFORT

STYLE

With 2UNDR you can feel it right away, pure heavenly softness. The Swing Shift caresses the skin with the finest beechwood fibre in our signature modal fabric. Additionally, the material resists shrinkage, and is less likely to fade or pill as a result of friction. The smoothness of the fabric also rejects hard water deposits, allowing it to remain soft through repeated wash cycles.

Perfection, in your pants..

NIGHT SHIFT

ADVANCED LUXURY

PERFORMANCE

COMFORT

STYLE

Using the most advanced construction techniques, the Night Shift features a new innovative laser-cut Joey Pouch™ design that simplifies the construction of the most important area of the product. The ultra soft micro-nylon waistband is sonic welded to remove stitching for a seamless fit and feel. All of these methods are combined with a silky nylon/poly blend to keep you comfy and dry for those sultry nights when expectations run high.

Possibilities, in your pants
