TABLE LAMP**
Specification Sheet

PIVOT TABLE LAMP

SPECIFICATION SHEET

About Pivot Table Lamp

Pivot Table Lamp has a quiet sculptural presence, with a pivoting arm that responds intuitively to its surroundings. Designed to adapt, it transforms with a simple gesture—angled upward to direct light across a wall and illuminate artwork, or turned toward a console to highlight the contours of an object.

Crafted on a manual lathe, Pivot reflects a commitment to simplicity and precision. Two carefully balanced metal tubes intersect with clarity and restraint, while the raw tumbled aluminium finish catches light subtly. With quiet confidence and mechanical elegance, Pivot invites interaction without demanding attention.

Care Instructions

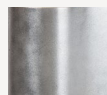

Over time, the metal surface may diminish its original luster. To retain the original finish, use metal polish with a soft, dry cloth and gently rub it onto the surface. Use a dry cloth to remove dust occasionally. Do not use any abrasive substances on the product. Please be wary of its weight. Handle with care.

Technical Details

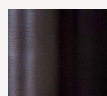

Dimensions
W154 D154 H624 MM
W6 D6 H24.5 IN

Weight
Aluminium - 7 kg
Darkened Brass - 12 kg

Material and Finishes
Aluminium,
Tumbled and burnished

Brass,
Hand-patinated in
darkened brass and
waxed

Light source
IND/ UK/ EU
GU10 bulb (Incl.)
5.5W, 220-240V,
Dimmable

US/ JPN
GU10 bulb (Not Incl.)
Suggested 5W-7W, 120V

Kelvin Rating
3000K

Cord
Socket type C
(On request A/ I/ G)
Cord length 1524 MM

Classification
IP20
