JAQUISS TABLE

DESCRIPTION

Designed for a grand sandstone townhouse overlooking Prospect Park, the Jaquiss Table embodies quiet authority through sculptural restraint and reworked classicism. Softened Deco curves, flared legs, and solid brass toes evoke the tailored precision of equestrian craft, grounding the piece with composure and intent. Offered in fixed or extension configurations with fully customizable dimensions, Jaquiss is designed to anchor dining rooms, gathering spaces, and stately foyers alike.

YEAR OF DESIGN

2026

MATERIAL

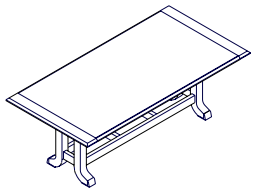

Solid wood frame with solid cast brass feet.
