

CARE INSTRUCTIONS

GIO TABLE LAMP

Ceramic base: Wipe clean with a damp cloth. Be sure to unplug/turn off light when cleaning.

To remove fingerprints, gently wipe the surface with isopropyl alcohol and a microfiber cloth.

For stubborn marks, apply a small amount of metal polish (like Brasso) and gently buff with a microfiber cloth.

Avoid abrasive pads or cleaners.

Shade: Gently wipe with a dry microfiber cloth or duster.

Avoid liquids, sprays, or cleaners, as they may cause damage.

OSEN TABLE LAMP
