VEGA SCONCE / CEILING MOUNT

DESCRIPTION

Add some sparkle to your spaces with our gem-like Vega Collection. Warm metals in a number of finishes mix with glittery hand-carved onyx or cast glass. We understand your need for versatile design solutions. More beautiful than Vega's sparkle, is the ability to create custom configurations with ease. Surface mounted as a stand-alone gem, paired in twos, even joined together endlessly, or hanging as a chandelier in linear or geometric arrangements—lighting truly becomes the jewelry of the home with Vega.

YEAR OF DESIGN

2016

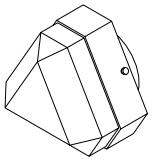

MATERIAL

Anodized aluminum body, with brass accents and onyx or cast glass diffusers.
