VEGA QUATTRO

DESCRIPTION

Add some sparkle to your spaces with our gem-like Vega collection. Warm metals in a number of finishes mix with glittery hand-carved onyx or cast glass. We understand your need for versatile design solutions. More beautiful than Vega's sparkle, is the ability to create custom configurations with ease. Surface mounted as a stand-alone gem, paired in twos, joined together endlessly, or hanging as a chandelier in linear or geometric arrangements—lighting truly becomes the jewelry of the home with Vega.
