OSIRIS CHANDELIER

DESCRIPTION

Osiris celebrates the geometric forms of paper origami. You can count on its sturdy fabrication and transitional design to stand the test of time. Hand-brazed brass petals grow into many custom forms, like that of a flower. Your clients will delight in the magic that Osiris adds to their home, as it graces the walls with soft reflections of light. Ask us about the many elegant compositions made possible by the petals of Osiris

YEAR OF DESIGN

2010

MATERIAL

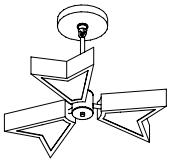

Solid Brass with milky lucite diffusers.
