PROGRAM PORTFOLIO

Protection from Violence

Girls, young women, and other vulnerable children and young people are protected from all forms of gender-based violence, including neglect, abuse, exploitation, and child, early and forced marriage (CEFM)

Sexual and Reproductive Health Rights

Girls, young women, and other vulnerable children and young people can decide for themselves, practice appropriate sexual health behaviors, and have access to age-appropriate and gender-responsive sexual and reproductive health and rights information and services

Disaster Risk Management and Climate Change Adaptation

Girls, young women, and other vulnerable children and young people, including their caregivers and their communities can overcome shocks and stresses that undermine the full and equal enjoyment of their human rights

Inclusive Quality Education

Girls, young women, and other vulnerable children and young people access age appropriate, gender-responsive, and learner-centered education

Youth Economic Empowerment

Young women and young men have the skills, equal opportunity, and access to decent work, in safe workplaces or spaces that uphold inclusivity, gender equality, and workers' wellbeing and human rights

Early Childhood Development

Young children and their mothers, specifically young women, have access to quality and gender-responsive nutrition and health care

Emergency Response

Girls, young women, and other vulnerable children and young people grow up in resilient communities and realize their rights to live with dignity and protection, before, during, and after disasters and conflicts

PILIPINAS

Plan International Pilipinas is a development, humanitarian, child-, youth-, and girl-centered organization, working in the Philippines since 1961.

We strive for a just world, working together with children, young people, supporters, and partners in advancing children's rights and equality for girls.
