Wednesday 30<sup>th</sup> November 2022

Dear Parents/Carers,

Year 6 have the opportunity to visit the Eden Project on **Wednesday 7<sup>th</sup> December**. This is an exciting chance for the children to experience work related to our science topic on evolution and inheritance, as well as our geography work on rainforest biomes. The children will also have a 'Darwin's Doodles' workshop led by the staff, before having time to explore the biomes in the afternoon.

On the day, we will be asking the children to arrive at school for **8:00am via the main school gate** so that we can leave on time. We will be travelling by coach to the Eden Project and will be aiming to return to school by **4:45pm approximately** when you will be able to collect your child/ren.

For this event, the children will need to **wear their school uniform, including a school jumper**, and will also need a **packed lunch** and enough **drink** to last the day (no fizzy drinks, please). If your child receives free school meals, please complete the form below and the kitchen will prepare a packed lunch.

Trips are an important and valuable part of a child's education but, unfortunately, the school is not able to subsidise the full cost of this trip so in order for it to take place, we do need to ask for a **voluntary contribution of £10.89 per child (£5.44 if your child receives pupil premium)**. Please complete the payment via ParentMail.

**NB: Part of the cost of this trip has kindly been covered by the PTA who have donated £10 per child thus reducing the cost to £10.89.**

If you have any questions about the information contained in this letter, please do not hesitate to contact school to speak to your child's class teacher. In addition, if any parents would like to accompany us on this trip, you would be more than welcome; please speak to your child's class teacher if this is the case.

If you are happy for your child to attend this trip, please complete the attached permission slip and return to your child's class teacher no later than **Monday 5<sup>th</sup> December 2022**.

Kind regards,

Craig Veal and Scott Parnell

Year 6 Class Teachers
