

HEREAFTER GHANA

Ensuring Independent Communities

SEPTEMBER 2026 NEWSLETTER

Championing local philanthropy to improve lives through healthcare, education, relief services, and sustainable community empowerment across Ghana.

ONE CHILD, ONE NHIS CARD | BOGNAA YILI - Expanding Access to Healthcare for Families

On 3rd & 4th September 2026, in collaboration with the Kumbungu District NHIS Office, we conducted a two-day NHIS registration and renewal exercise at Bognaa Yili in the Kumbungu District. The exercise followed a request from the community through Madam Afishetu, the government appointee in the area.

Through our **One Child, One NHIS Card Project**, the exercise supported **264 people** to access or renew their National Health Insurance Scheme (NHIS) membership, helping families improve their access to essential healthcare services.

With this latest intervention, the project has reached a cumulative total of **9,252 registrations and renewals**, bringing us closer to our target of **10,000 beneficiaries by the end of 2026**.

Behind every registration is an individual or family taking an important step towards accessing healthcare and reducing the financial barriers that can delay medical attention.

We extend our sincere appreciation to the Department of Social Welfare and Community Development, the Kumbungu District NHIS Office, Madam Afishetu, and our donors for their contributions to this initiative.

Together, we are building healthier communities, one NHIS card at a time.

ONE CHILD, ONE NHIS CARD | LUNGBUN GUNDA

Following our mechanised borehole project in Lungbun Gundaa, Tolon District, community nurses raised concerns about children without active NHIS cards. Their request was simple: *“Bring NHIS closer to our people.”*

In response, through our **One Child, One NHIS Card Project**, we conducted a two-week registration and renewal exercise in the community, bringing the service closer to residents and reducing the burden of travelling to the NHIS District Office in Tolon.

At the end of the exercise, **539 people successfully registered or renewed their NHIS membership**, helping more individuals and families take an important step towards accessing healthcare.

This achievement brings the project’s cumulative reach since 2021 to **9,791 beneficiaries**, just **209 people away from our target of 10,000**.

We sincerely appreciate the Department of Social Welfare and Community Development, Tolon, and the NHIS District Office, Tolon, for their valuable collaboration and support.

As we approach this milestone, we invite our donors, partners and supporters to help us reach the remaining 209 beneficiaries and extend access to health insurance to more vulnerable people.

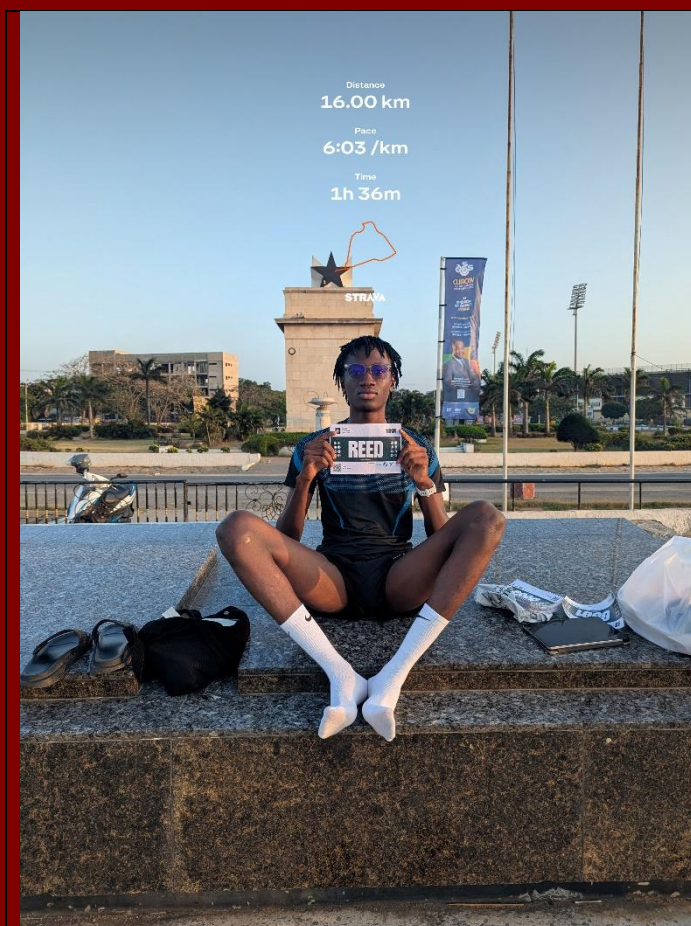

One community at a time, we are bringing healthcare closer to those who need it most.

STRATEGIC PARTNERSHIP | GBEADESE'S #16X16 PROJECT

16 Kilometres. 16 Regions. One Mission of Giving.

We are proud to partner with **Gbeadese** on the ambitious **#16X16 Project**, a cross-country marathon initiative scheduled for October 2026, combining endurance, national unity and philanthropy to support charitable causes.

(Greater Accra edition)

The initiative will see Gbeadese run **16 kilometres across each of Ghana's 16 regions**, with the goal of raising **GHC100,000 for charity**.

We are honoured to be the charity partner for this initiative. This partnership reflects our shared belief that meaningful change is possible when individuals

and organisations use their platforms, talents and resources to support communities in need.

For us, this partnership presents an opportunity to strengthen local philanthropy and mobilise additional support for vulnerable individuals and families through our programmes in healthcare, education, charity and community empowerment.

Achieving this goal will require collective effort. We invite our donors, partners, supporters and the general public to follow the journey, spread the word and contribute towards the fundraising target.

Visit www.16in16.com to learn more about the project and support the initiative.

Together with Gbeadese, we look forward to turning every kilometre into an opportunity to make a difference.

BACK-TO-SCHOOL PROJECT: MOBILISING SUPPORT FOR OVER 500 PUPILS

Through donations received under our Back-to-School Project fundraising campaign, Hereafter Ghana has **mobilised 4,390 exercise books, 600 erasers, 576 sharpeners, 576 pencils, 300 pens, & 120 crayons**, packed into 500+ school kits alongside school bags, shoes, water bottles were donated to more than 500 pupils of Gingaani Basic School in the Kumbungu District, across KG 1 to Basic 6.

We are committed to promoting equitable access to quality education, ensuring that children have the basic materials they need to learn and progress in school.

The initiative seeks to address some of the material challenges facing children in underserved communities and support their participation in education.

We are grateful to all donors and supporters whose contributions have made this intervention possible. Your generosity demonstrates the value of local philanthropy in responding to community needs and creating opportunities for children.

This initiative reflects our commitment to Sustainable Development Goal 4 (Quality Education): ensuring inclusive and equitable quality education and promoting lifelong learning opportunities for all. We remain grateful to our donors and supporters for helping advance this goal by providing essential learning materials to children in underserved communities.

Together, we are helping build a future where every child has the opportunity to learn, grow and succeed

ORPHAN SPONSORSHIP | SEPTEMBER STIPENDS

Supporting 27 Orphans Through Monthly Stipends

On 29 September 2026, Hereafter Ghana disbursed monthly stipends to **27 orphans** under its orphan support programme. The support contributes towards meeting their essential needs and improving their wellbeing.

We are grateful to our donors and supporters whose generosity continues to make this assistance possible. Their contributions provide consistent support for vulnerable children and help strengthen our commitment to their care and welfare.

SUPPORTING ISLAMIC EDUCATION FOR 1,000 STUDENTS

In September, we paid madrasa fees for 1,000 orphans and needy students across nine Madaaris, helping them continue their Islamic education.

This support helps reduce the financial burden on vulnerable families and ensures that more children can remain in their madrasas to learn and grow in their faith.

However, sustaining this support requires continued contributions from generous donors and well-wishers.

Graphic for Orphan Sponsorship. It features the Hereafter Ghana logo at the top left. The main text reads: '27 ORPHANS received their September Stipends on 29th September!'. Below this, it says 'Thank you for your generosity.' and 'Give GH¢200 monthly to support an orphan.' with a call to action 'Reach out on 0267716616'. At the bottom, it states '5 orphans on standby this month' and provides the website 'www.hereafterghana.org'.

However, **five additional orphans remain on standby** this month, awaiting sponsorship support.

To support the programme, contact **026 771 6616** or visit www.hereafterghana.org

We thank everyone who continues to support this initiative. Your generosity makes a meaningful difference in the lives of children who need it most.

Graphic for Madrasa Fees Paid. It features the Hereafter Ghana logo at the top. The main text reads: 'SEPTEMBER MADRASA FEES PAID 1,000 STUDENTS'. Below this, it says 'Orphans and needy students across 9 Madaaris' and 'Help keep children in Madrasa'. At the bottom, it provides a call to action: 'Donate via MoMo: 0530499503 (Ummul-Yaqeen)' and 'Support Islamic education'.

We invite you to support the programme and help keep these children in school. Every contribution helps us sustain their access to Islamic education.

Support madrasa education today.

“Supporting a child’s education is an investment in their future and the future of the community.”

PATIENT RESCUE FUND | SEPTEMBER FUNDRAISING UPDATE

Compassion in Action: Supporting Wasir and Marie

September brought additional financial responsibilities for many households, including school fees and other essential expenses. Despite these demands, our donors and supporters continued to respond to the needs of vulnerable individuals through the Patient Rescue Fund (PRF).

During the month, **GHC11,960** was raised towards **hearing aids for Wasir**, a 17-year-old who lost his hearing in both ears following a motor accident. Upon informing Wasir's guardian that the full amount had been raised for his hearing aids, we received a heartfelt message of appreciation. Her response reflected the relief and gratitude that timely support can bring to families facing difficult circumstances.

An additional **GHC5,000** was raised to support Marie's eye surgery.

These contributions represent more than financial assistance. They offer hope to individuals awaiting essential medical care and demonstrate the impact of collective action in addressing healthcare needs.

We extend our sincere appreciation to every donor and supporter who contributed to these appeals. Your continued commitment enables Hereafter Ghana to respond to urgent medical needs and support individuals who might otherwise struggle to access treatment.

Thank you for standing with those who need a helping hand. Your generosity continues to make a difference.

VOLUNTEER SPOTLIGHT | SEPTEMBER 2026 - Celebrating Tuarik Alhassan

Volunteers play an important role in advancing Hereafter Ghana's work in healthcare delivery, community support and sustainable development. Their time, expertise and commitment help extend our reach to communities and individuals in need.

For our September Volunteer Spotlight, we recognise **Tuarik Alhassan**, a BSc Community Nutrition and Master of Public Health (MPH) professional who currently serves as the Municipal Nutrition Officer and HIV Coordinator at the Tano South Municipal Health Directorate.

Tuarik began volunteering with Hereafter Ghana in April 2018 and has since contributed to several initiatives, including the Community Mobile Clinic, One Child, One NHIS Card, Patient Rescue Fund, women and livelihood empowerment, and support for widows and orphans.

limited access to healthcare, while applying his knowledge and experience in nutrition and public health to improve lives.

Through volunteering, Tuarik has strengthened his leadership, communication and teamwork skills. He remains motivated by the positive outcomes that collective efforts can achieve for individuals and communities.

Reflecting on his experience, he shares:

"Meaningful change starts gradually with something small. It starts with serving others, listening to their needs, and working together to find practical solutions."

His advice to those considering volunteering is equally practical:

"Don't wait until you have everything to give. Your time, skills, and willingness to serve can make a meaningful difference in someone's life."

We appreciate Tuarik Alhassan for his continued commitment and contribution to community health and development. His journey demonstrates the value of sharing professional knowledge and skills in service to others.

We also acknowledge all our volunteers, partners, supporters and donors whose collective efforts sustain our programmes and help us reach more communities.

"Volunteering is the willingness to give your time, skills and compassion to serve others and create meaningful change in the community."
