

HEALTHY. HAPPY. DELICIOUS.

LET DOLE BE YOUR SOURCE FOR
HEALTHCARE MENU SOLUTIONS.

NUTRITIOUS SOLUTIONS

FOR A DIVERSE FOODSERVICE CHANNEL.

From patient and resident feeding to employee cafeterias, foodservice in the healthcare channel must address a range of concerns. Operators are focused on providing meals that meet the nutritional needs of their clientele and satisfy state and federal health guidelines, all while managing food costs and improving customer satisfaction. Dole is here to help, with nutritious, delicious, time-saving products ideal for healthcare operations.

THE DOLE ADVANTAGE

THE BEST FRUIT

We are committed to growing and packaging the highest-quality fruit, so every bite tastes ripe and delicious.

RESOURCES AND TOOLS

Find recipes, product brochures and fruit cost-savings calculators on the Dole healthcare website.

DEDICATED OPERATOR SUPPORT

Dole offers support materials, merchandising assistance and training resources for you and your staff.

TASTE THE TRENDS

WHAT'S NEXT FOR HEALTHCARE FOODSERVICE PROGRAMS?

While health and nutrition will always be top priority in the healthcare channel, there's a growing need to innovate and improve customer satisfaction with flavor-forward menu items. Foodservice decision-makers are modernizing their offerings with premium ingredients, global dishes and customized ordering programs that break the traditional one-size-fits-all mold. DOLE® fruit can serve as a natural source of sweetness, bright color and exciting flavor—perfect for meals and snacks that satisfy patients, residents, employees and guests alike.

A WORLD OF OPPORTUNITY

Incorporate fruit into globally inspired dishes for meals that are both on-trend and healthful. DOLE fruit adds natural sweetness to a variety of menu items, such as tacos, flatbreads and wraps.

CARIBBEAN RANCH DRESSING

Forget your average dinner salad—a bright, crunchy combination of spiralized vegetables and zesty dressing made with **DOLE Chef-Ready Mango Frozen Purée** means that healthy dining and big flavor go hand in hand.

RESTAURANT-INSPIRED OFFERINGS

DOLE fruit lends a premium touch, bringing excitement to such healthcare foodservice offerings as salads and sandwiches. Versatile products that can be used across dayparts will help you manage costs while still delivering more upscale dishes.

PLANT-FORWARD, FLAVOR-FORWARD

Take on the plant-forward trend by bringing vibrant flavor and color to healthcare menus with DOLE fruit. Create a parfait or smoothie station to amp up breakfast and snack offerings. Or, add fruit to entrées, sauces and soups for an unexpected twist.

PARFAIT PERFECTION

Whether pre-assembled or made-to-order, healthy parfaits with layers of nonfat yogurt, **DOLE Chef-Ready Cuts Peach Slivers**, **DOLE Chef-Ready Cuts Sliced Strawberries** and **DOLE Chef-Ready Strawberry Frozen Purée** are delicious and eye-catching to boot.

TAGINE STREET TACOS

These Moroccan-inspired tacos feature layers of sweet and savory flavor: garlic naan filled with carrot and cumin hummus, harissa-spiced chicken, chickpeas, **DOLE Chef-Ready Cuts Diced Apples** and yogurt sauce.
