# The Frozen Fruit Advantage

**WASTE NOT**

Frozen fruit allows you to use 100% of the product with zero food waste - no peels, core, pits or stems.

**DEPENDABLE**

Because the shelf life of frozen fruit is far greater than fresh, you can incorporate your students' favorite fruits on your menu, year-round.

**PICKED PERFECT**

Our fruits are picked at peak ripeness and quick frozen to lock in nutrients and flavor so you never have to worry about inconsistent quality.
