Spare wheel			Steel (temporary)	

*Output when Premium Unleaded fuel (95 RON or greater) is used.

**Subject to model grade.

†Mazda fuel consumption and emission figures are based on results under the 3P-WLTP test programme. This data is useful in comparing the consumption of different vehicles, however it may not be the consumption achieved in practice. This will depend on factors such as road conditions, traffic, accessories and how the vehicle is driven.
