

KENTOFER™ Forte

Kentofer Forte is a dietary supplement made from iron and vitamin C. Iron contributes to the normal formation of red blood cells and hemoglobin, to the reduction of fatigue and to the normal function of the immune system. Vitamin C increases the absorption of iron and contributes to the reduction of fatigue.

INGREDIENTS: Microencapsulated iron (iron pyrophosphate, cornstarch, sunflower lecithin), Capsul: hydroxypropylmethylcellulose; Vitamin C (L-ascorbic acid), maltodextrin, Anti-caking agents: silicon dioxide, Magnesium stearate.

AVERAGE CONTENT	per dose (1 capsule)	% VNR* per dose
Iron	30 mg	214,3
Vitamin C	70 mg	87,5

* VNR: Nutritional value of reference in accordance with EU Reg.1169/2011

GLUTEN FREE

HOW TO USE: recommend taking of 1 capsule per day

WARNINGS: Store at room temperature (not above 25 ° C); avoid exposure to localized heat sources, sunlight and contact with water.
