

Kensington Easy Riser Go Laptop Cooling Stand(K50420EU)

Kensington Easy Riser Go Laptop Cooling Stand - Notebook stand - 17"

The Kensington Easy Riser Go Laptop Cooling Stand is an essential accessory for notebook and tablet PC users seeking comfort and stability. Its adjustable height and angle features, supported by the SmartFit system, allow for an ergonomic setup tailored to individual needs, reducing the risk of strain during prolonged use. The stand's anti-slip feet ensure your device remains securely in place, while its compatibility with notebooks up to 17 inches makes it a versatile choice for a wide audience. Additionally, the design promotes airflow, helping to keep your laptop cool and perform efficiently. Whether for work, study, or entertainment, the Easy Riser Go enhances your computing experience by combining comfort, stability, and cooling efficiency.

Key Selling Points

- Supports standard and gaming laptops up to 17"
- SmartFit System simplifies ideal ergonomic height positioning
- 8 angle options up to 50°
- Foldable dual kickstand provides additional viewing and height flexibility
- Padded inserts, wide-bottom ledge and antislip foot pads for secure & stable fit
- Dissipates heat build-up to extend the longevity of device battery
- Small desktop footprint and folds flat for easy portability

Product Features

- Ergonomic design**
The Easy Riser Go Laptop Cooling Stand by Kensington is meticulously designed with adjustable height and angle options, offering 8 positions to ensure an ergonomic setup. This flexibility helps reduce neck and eye strain, making long hours of work or study more comfortable.
- Enhanced stability**
Equipped with anti-slip feet, this notebook stand ensures your device remains stable during use. Whether you're typing away or engaging in intensive design work, the stand's firm grip prevents any unwanted movement, ensuring your laptop stays securely in place.
- Optimal compatibility**
Designed to support notebooks up to 17 inches (43.2 cm), the Easy Riser Go accommodates a wide range of laptop sizes. This versatility ensures that most users can benefit from its ergonomic and cooling features, making it a valuable accessory for any notebook owner.
