

3M Bright Screen Privacy Filter(BP156W9B)

3M Bright Screen Privacy Filter - Notebook privacy filter - removable - flip - 15.6" - black

Get the advanced privacy filter that so seamlessly protects your onscreen data, you'll hardly know it's there - but visual hackers around you will. Introducing the 3M Bright Screen Privacy Filter. Easy to apply, easy to use, easy to forget it's there. Only from 3M, the experts in screen privacy.

Key Selling Points

- Frameless design complements modern devices
- Removable and reversible for flexible use
- Reduces blue light exposure and minimizes glare
- Touchscreen compatible for uninterrupted functionality
- Supports 15.6" displays, fitting a wide range of laptops

Product Features

- Enhanced privacy**
The 3M Bright Screen Privacy Filter uses Microlouver technology, ensuring your data remains confidential by limiting the viewing angle of your screen. This feature is ideal for anyone who values privacy while working in public spaces or open office environments.
- Versatile installation**
With its flip installation type, the privacy filter offers an easy application process. It's designed to be removable, allowing users the flexibility to attach or detach the filter as needed, catering to both permanent and temporary privacy solutions.
- Durable design**
Made with scratch-resistant material, this privacy filter withstands everyday wear and tear, maintaining its clarity and effectiveness over time. Its ultraslim construction ensures that touchscreen functionality remains responsive, making it suitable for touch-capable devices.
- Visual comfort**
Featuring anti-glare properties and blue light reduction, the 3M Bright Screen Privacy Filter not only protects your privacy but also reduces eye strain. The matte finish and 85% light transmittance ensure a clear view without sacrificing screen brightness or quality.
