

3M(PF270W9EM)

3M - Display privacy filter - removable - magnetic - 27"

The 3M COMPLY Magnetic Attach for Monitors allows you to quick-click between world-class privacy and screen sharing thanks to ultra-strong magnets that click the filter securely into place. Leveraging the power of rare earth magnets, the proprietary modern design seamlessly attaches the privacy filter to the monitor display, ensuring a crisp, clear image.

Key Selling Points

- 60° visible angle for optimal privacy
- Reversible with glossy and matte options
- COMPLY Magnetic Attach for easy application
- Scratch resistant and fingerprint-proof for screen protection
- Reduces blue light and minimizes glare for eye comfort

Product Features

- Enhanced privacy**
With a 60° visible angle, the display privacy filter ensures that your information remains confidential, making it ideal for high traffic areas and open office environments.
- Versatile viewing**
Featuring a reversible design with both glossy and matte finishes, users can choose their preferred viewing experience for any lighting condition.
- Easy installation**
The COMPLY Magnetic Attach system allows for quick and secure attachment, making it simple to add or remove the filter as needed.
- Durable protection**
Scratch resistant and fingerprint-proof, this filter keeps your screen in pristine condition, while also reducing blue light exposure and minimizing glare.
- Optimized compatibility**
Designed specifically for 27" screens, this filter offers a seamless fit for both widescreen and traditional desktop monitors, enhancing both security and viewing quality.
