Key Selling Points

- Flip installation for easy application and removal
- Scratch-resistant surface for enhanced durability
- Reduces blue light and glare for comfortable viewing
- Compatible with 13" screens, fitting a wide range of devices
- Touchscreen compatible, maintaining full functionality

Product Features

- Enhanced privacy**
Equipped with Microlouver technology, the 3M Bright Screen Privacy Filter offers a level of privacy by limiting the viewing angle of your screen, ensuring that your information remains confidential.
- Versatile installation**
Featuring a flip installation type, this privacy filter is designed for easy attachment and removal, allowing you to adapt to different working environments effortlessly.
- Durable protection**
With its scratch-resistant surface, the 3M Bright Screen Privacy Filter not only protects your screen from daily wear and tear but also maintains a clear view of your display.
- Improved screen experience**
This filter reduces blue light and glare, enhancing your viewing comfort during long hours of use. Its 85% light transmittance ensures minimal impact on screen clarity.
- Touch compatibility**
Despite its ultra-thin design, the privacy filter remains fully compatible with touchscreens, ensuring uninterrupted responsiveness and functionality.
