

StarTech.com 15.6-inch 16:9 Touch Privacy Screen, Anti-Glare Blue Light Filter, Laptop Monitor Screen Protector, +/- 30 Deg. View Angle, Flip-Up(156LT-PRIVACY-SCREEN)

StarTech.com 15.6-inch 16:9 Touch Privacy Screen, Anti-Glare Blue Light Filter, Laptop Monitor Screen Protector, +/- 30 Deg. View Angle, Flip-Up - Notebook privacy filter (horizontal) - 2-way - adhesive, hinge tabs, flip hinges - 15.6" - black

The StarTech.com 15.6-inch 16:9 Touch Privacy Screen is designed to protect sensitive information from prying eyes while ensuring a comfortable viewing experience. With its 2-way privacy protection, users can work confidently in public spaces without compromising their privacy, as the screen limits the viewing angle to +/- 30°. It also features a blue light filter that reduces 51% of harmful emissions, coupled with an anti-glare coating to minimize eye strain and reflections. This privacy screen is built for convenience and durability. It includes everything needed for a quick and secure installation, such as adhesive strips, mounting tabs, and flip-over tabs, making it compatible with most 15.6" laptops. Whether you're working in a cafe, on a plane, or at a shared workspace, the StarTech.com privacy screen keeps your information private and your eyes comfortable.

Key Selling Points

- 2-way privacy protection with +/- 30° viewing angle
- 51% blue light reduction for eye comfort
- Includes adhesive strips, mounting tabs, and flip-over tabs for easy installation
- Anti-glare coating to reduce reflections and improve visibility

Product Features

- Enhanced privacy**
The 15.6-inch 16:9 Touch Privacy Screen offers a 2-way privacy protection, ensuring your data remains confidential with a +/- 30° visible angle, making it difficult for onlookers to view your screen from the side.
- Eye comfort**
Equipped with a blue light filter that reduces 51% of harmful blue light emissions and features an anti-glare coating, this privacy screen helps in minimizing eye strain during long working hours.
- Easy installation**
Comes with multiple installation options including adhesive strips, hinge tabs, and flip hinges, providing a hassle-free setup for securing the privacy screen to your laptop.
- Durable design**
Made from high-quality plastic, this privacy screen is designed to withstand daily wear and tear, ensuring long-lasting protection for your laptop's display.
