

3M Privacy Filter(PF238W9B)

Desktop Monitor Privacy Filter - Frameless (Widescreen) - 98044059321

3M Privacy Filters provide world-class "black out" privacy from side views outside the 60-degree viewing angle, while creating an excellent viewing experience from straight on views. Reversible between a glossy side and a glare-reducing matte side that helps reduce reflections and hide fingerprints, so you can enjoy pristine image clarity.

Key Selling Points

- Micro-Louver technology limits viewing angle to 60° for privacy
- Reversible with glossy and matte sides to suit viewing preferences
- Scratch resistant to maintain screen clarity and longevity
- Includes adhesive strips and slide mounts for easy application
- Frameless, landscape design complements modern monitor aesthetics

Product Features

- Enhanced privacy**
Equipped with Micro-Louver technology, the 3M Privacy Filter for 23.8" Monitors 16:9 ensures that your information remains confidential, offering a 60° viewing angle that keeps your data hidden from prying eyes adjacent to you.
- Versatile viewing**
This privacy filter boasts a reversible feature, allowing you to choose between a glossy or matte finish. The matte side reduces glare and reflections, making it easier to see your screen in brightly lit environments.
- Durable design**
Designed to protect your screen from scratches and daily wear and tear, the 3M Privacy Filter integrates seamlessly with your 23.8" monitor, providing a frameless, landscape mounting that maintains the sleek aesthetics of your device.
- Easy installation**
The package includes adhesive strips and slide mounts, offering a hassle-free setup that allows you to secure the privacy filter to your monitor effortlessly, ensuring it stays in place without damaging your screen.
