

UAG Civilian Series(114446114040)

UAG Civilian Series - Back cover for mobile phone - MagSafe compatibility - olive drab - for Apple iPhone 16

Introducing the evolution of the Civilian Series iPhone 16 MagSafe Case, now 22% slimmer while retaining compatibility with all MagSafe and magnetic accessories. This updated design features sleek, refined lines, subtle contrasting colors, and a more pronounced perimeter for a modern look. Built with a durable triple-shot overmold construction and a hex cushion shock-absorbing core, this case provides outstanding protection against everyday drops and impacts. The raised screen surround helps prevent scratches and damage, while the anti-slip grip ensures secure handling, even on the go. Enjoy the crisp, responsive feel of oversized tactile buttons designed for easy, precise control. A customer favorite, the Civilian Series is updated with a stylish, refreshed look to match its premium functionality.

Key Selling Points

- Compatible with wireless charging
- Military Standard 810G tested for durability
- High level of drop and impact protection
- Tactile grip and oversized buttons for user convenience
- Made from 25% recycled materials

Product Features

- Robust drop protection**
This case is designed to withstand drops from heights of up to 6 m, providing reliable protection for your device in various situations.
- Advanced shock-absorbent materials**
Utilizes HyperCush technology to effectively absorb shocks, ensuring your phone stays safe under impact.
- Eco-friendly construction**
Made with 25% recycled materials, this case helps reduce environmental impact while providing necessary protection.
- User-friendly design**
Features oversized buttons and a tactile grip, ensuring that your phone remains functional and easy to handle.
- Secure carrying options**
Includes integrated lanyard anchor points, allowing for versatile carrying methods and added convenience.
