

UAG Essential Armor Series(114450114040)

UAG Essential Armor Series - Back cover for mobile phone - MagSafe compatibility - black - for Apple iPhone 16

Introducing the redesigned Essential Armor iPhone 16 Case - a rugged yet sleek case that is MagSafe compatible and available in stylish translucent colors. This thin, lightweight case features a co-molded construction for a comfortable grip and a slim profile. Engineered for superior protection, it offers enhanced corner safeguards against drops and impacts, while the raised camera bezel protects your lenses from scratches. The inner hex pattern increases shock absorption, and oversized tactile buttons provide a responsive click with every press. With a built-in magnet module for seamless MagSafe charging, this case combines lightweight convenience with rugged durability, perfect for everyday use.

Key Selling Points

- Ultraslim design for lightweight protection
- Military Standard 810G tested for durability
- Supports wireless charging and payment
- Raised screen surround and camera bezel for added security
- Enhanced corner protection with co-molded design

Product Features

- Impact protection**
The case is designed to absorb shock and safeguard the cell phone from potential damage caused by drops and bumps.
- Lightweight construction**
This protective cover offers a slim profile, making it easy to carry without adding bulk to the device.
- Raised camera bezel**
The elevated camera bezel provides additional protection to the camera lens, preventing scratches and damage when placed on surfaces.
- Oversized tactile buttons**
Large, easy-to-press buttons ensure quick and convenient access to all essential functions, enhancing the user experience.
- Military-grade drop protection**
Tested against Military Standard 810G, this case can withstand drops from up to 4.6 m, ensuring reliable protection in challenging environments.
