

Logitech Extend(952-000199)

Logitech Extend - Video/audio extender - USB-C, 10Mb LAN - over CAT 5e/6 - up to 100 m

The Logitech Extend offers a reliable solution for extending your video and audio with ease. This external video/audio extender includes various connection options such as HDMI, USB 2.0, Ethernet, and micro-USB, allowing for versatile usage in a range of environments. With support for resolutions up to 4K and a maximum transfer distance of 100 m, it ensures high-quality performance in both home and professional settings.

Designed with practicality in mind, the Extend features a wall-mountable design and comes with a mounting kit for installation. Its robust plastic housing provides durability, while the built-in encryption algorithm (SHA-256) ensures security for your data during transmission. Operating in a wide range of temperatures, from 0°C to 40°C, and humidity levels between 10% and 90%, this extender is built to perform reliably in various conditions.

Key Selling Points

- Supports 4K maximum video resolution
- Includes a variety of connection interfaces like HDMI and USB-C
- Capable of transferring data over a distance of 100 m
- Wall-mountable design for installation
- Incorporates durable plastic housing

Product Features

- High-resolution video support**  
The Extend supports a maximum video resolution of 4K, delivering sharp and detailed visuals.
- Versatile connectivity options**  
Featuring HDMI, USB 2.0, Ethernet, and micro-USB ports, this extender allows for flexible connections to various devices.
- Durable and secure design**  
Constructed with a plastic housing, the extender is designed to withstand regular use while the SHA-256 encryption algorithm ensures the security of your data.
- User-friendly installation**  
The included mounting kit enables easy wall-mountable installation, making it convenient to set up.
- Wide operational range**  
Operating efficiently in temperatures from 0°C to 40°C and humidity levels between 10% and 90%, this extender is prepared for various conditions.

Main Specifications

Product Description	Logitech Extend - video/audio extender - USB-C, 10Mb LAN
Device Type	Video/audio extender
Form Factor	External
Data Link Protocol	USB-C, 10Mb LAN
Transmission Medium	CAT 5e/6
Max Transfer Distance	100 m
Power	AC 100-240 V
System Requirements	Windows 10 / 11 or later, Apple macOS 13 or later
Dimensions (WxDxH)	14.3 cm x 14.3 cm x 3.45 cm
Manufacturer Warranty	2-year warranty

Extended Specification

Miscellaneous

Included Accessories	Grommet adapter (25.4 mm), magnetic dock
Cables Included	1 x power adapter - 1.5 m   1 x USB-C 3.2 Gen 1 cable - 1.5 m   1 x micro-USB to USB-A cable - 1 m
Mounting Kit	Included
Compliant Standards	FSC

Environmental Parameters

Min Operating Temperature	0 °C
Max Operating Temperature	40 °C
Humidity Range Operating	10 - 90%

General

Device Type	Video/audio extender
Form Factor	External

Manufacturer Warranty

Service & Support	Limited warranty - 2 years
-------------------	----------------------------

Dimensions & Weight

Width	14.3 cm
Depth	14.3 cm
Height	3.45 cm
Dimensions (WxDxH) / Weight Details	Power adapter: 7.35 cm x 5.3 cm x 3.5 cm

Networking

Connectivity Technology	Wired
Data Link Protocol	USB-C, 10Mb LAN
Max Resolution	4K @ 60 Hz
Max Transfer Distance	100 m
Features	4:4:4 chroma subsampling support, wall mountable, plastic housing, BYOD mode, DisplayPort Alternate mode
Encryption Algorithm	SHA-256

Power

Power Device	External power adapter
Voltage Required	AC 100-240 V

Expansion / Connectivity

Interfaces	1 x HDMI - 19 pin HDMI Type A female   2 x USB 2.0 - Type A female   1 x micro-USB   2 x Ethernet - RJ-45   1 x USB - Type C   1 x USB (power input) - Type C
------------	---

Software / System Requirements

OS Required	Windows 10 / 11 or later, Apple macOS 13 or later
