

HP Poly PoE Adapter(B5NH6AA#ABU)

Poly - PoE injector - PoE++ 2.5G - 65 Watt - United Kingdom

The HP Inc. Poly PoE adapter is designed for video conferencing devices, ensuring reliable performance and connectivity. With Power over Ethernet (PoE++) capability, it delivers 65 W of power, making it an efficient choice for powering your devices while providing data transfer at speeds of up to 2.5 G. The 3.66 m CAT6A network cable included allows for flexible installation, helping you maintain a clean and organized workspace while ensuring high-quality video conferencing experiences.

Key Selling Points

- Delivers 65 W PoE++ for efficient power supply
- Supports data transfer rates up to 2.5 G
- Includes a 3.66 m CAT6A network cable for flexible installation

Product Features

- Reliable power delivery**  
This PoE adapter provides stable power to video conferencing devices, ensuring they operate smoothly during important meetings and presentations.
- High-speed connectivity**  
With support for 2.5 G data transfer rates, this product enhances the performance of your video conferencing technology by minimizing lag and ensuring crisp video and audio quality.
