

Neat Board - 65" Collaboration & Touch Screen Device.(NEATBOARD-SE)

Video conferencing device. Designed for Zoom and Teams

Neat Board is the complete meeting room package for Zoom or Microsoft Teams in a simple and elegant all-in-one device. With its immersive 65-inch multi-touch screen, powerful audio system, and a versatile wide-angle camera, Neat Board ensures you see and hear everything so vividly up close it's almost as though those on screen are right there in the room with you. Beyond video meetings and wireless content sharing, Neat Board enables your imagination to roam free thanks to annotations and whiteboarding and comes with Neat Marker, meaning you don't even have to touch the screen with your fingers.

Key Selling Points

- Zoom-in-one
- Simple set-up
- Just works
- Make your mark

Product Features

- Zoom-in-one**
Neat Board is the complete Zoom Rooms package in a simple and elegant all-in-one device. With its immersive 65" multi-touch screen, powerful audio system, and versatile wide-angle camera, Neat Board gives you a Zoom Rooms experience beyond video meetings and wireless content sharing by enabling annotations and whiteboarding.
- Simple set-up**
Designed to provide everything you need in your Zoom Room today, Neat Board gives you the freedom and flexibility to collaborate how you want in the future. It's also easy to set up, having just one cable and a choice of either a floor stand, with optional wheels, wall mount or table stand.
- Just works**
Neat Board responds to your presence and automatically wakes up the moment you walk in the room. Just one tap and you can wirelessly share your screen, start a meeting or mark something up. The large multi-touch screen is perfect for making notes, organizing thoughts and providing quick visual feedback, whether people are right there in the room or on video.
- Make your mark**
Neat Board comes with a pair of Neat Markers, so two people can sketch or mark something up at the same time. Neat Marker delivers just the right amount of friction for whiteboarding and markup. It attaches magnetically to the Neat Marker holder, which also serves as cable management. Neat Marker is passive, so you don't need to set it up or charge it.

Main Specifications

| | |
|---------------------|--|

| Device Type | Video conferencing device |
| Dimensions (WxDxH) | 147.6 cm x 10.4 cm x 93.1 cm |
| Display | 65" TFT / 3840 x 2160 |
| Video Input | Digital video camera |
| Audio Input | 5-microphone array |
| Audio Output | Speaker(s) |
| Networking | Network adapter - Ethernet, Wi-Fi |
| Power | AC 120/230 V (50/60 Hz) |

Extended Specification

General

| | |
|------------------|--|
| Device Type | Video conferencing device |
| Security | 256 bit AES, TLS |
| Width | 147.6 cm |
| Depth | 10.4 cm |
| Height | 93.1 cm |
| Built-in Devices | Presence sensor, humidity sensor, temperature sensor, CO2 sensor, VOC sensor, light sensor |

Expansion / Connectivity

| | |
|------------|---|
| Interfaces | 2 x audio / video - HDMI input - 19 pin HDMI Type A 1 x network - Ethernet - RJ-45 1 x USB-C - 24 pin USB-C |
|------------|---|

Networking

| | |
|-------------------------|--------------------------------|
| Type | Network adapter |
| Connectivity Technology | Wireless, wired |
| Data Link Protocol | Ethernet, Wi-Fi |
| Features | Echo cancellation, secure boot |

Miscellaneous

| | |
|----------------------|---|
| Cables Included | 1 x network cable - 5 m |
| Included Accessories | 2 passive pens, pen holder, table stand |

Power

| | |
|------------------|-------------------------|
| Power Device | Power supply - internal |
| Voltage Required | AC 120/230 V (50/60 Hz) |

Environmental Parameters

| | |
|---------------------------|----------|
| Min Operating Temperature | 0 °C |
| Max Operating Temperature | 35 °C |
| Humidity Range Operating | 20 - 80% |

Display

| | |
|-------------------|---|
| Technology | TFT active matrix |
| Diagonal Size | 65" |
| Native Resolution | 3840 x 2160 |
| Monitor Features | Multi-touch screen, LED-backlit, anti-fingerprint, anti-glare |

Video Input

| | |
|----------------------------------|--|
| Type | Digital video camera (colour) - integrated |
