

Compulocks VESA Articulating Monitor Arm Mount(660REACH)

Compulocks VESA Articulating Monitor Arm Mount - Mounting component (articulating arm, VESA mount bracket) - Tilt & Swivel - for monitor / tablet - aluminium - desktop, counter

The Reach is an articulated arm desk mounted stand with cable management. A slide on and off 75x75/100x100 VESA mount allows you to connect all of our tablet enclosures and many computer monitors and screens up to 30 inches.

It has a wide range of motion including tilt, swing and pan with tightening bolts to secure the angle.

Key Selling Points

- Compatibility: Screens with 75mm or 100mm VESA configuration
- Arm Mount Extends Out to 24" with 16" Lift
- Cable management keep all wires and cords organized
- Quick Slide On / Off Display Mount
- No-screw Desk Clamp Base
- Wall Mount Bracket Available

Product Features

- Effortless adjustment**
With pan, rotation, and tilt adjustments, the VESA Articulating Monitor Arm Mount offers a seamless viewing experience, allowing users to find the perfect angle for any task.
- Sleek cable management**
Integrated cable management ensures a tidy workspace by neatly concealing cables within the articulating arm, enhancing both functionality and aesthetics.
- Durable design**
Crafted from high-quality aluminum, this mounting component is designed for durability, ensuring long-lasting support for monitors and tablets.
