

Blancco Drive Eraser Enterprise Edition(4L41L66707)

Blancco Drive Eraser Enterprise Edition - Subscription licence (1 year) - 1 asset - volume - 50-499 licences - ESD - required software license

Blancco Drive Eraser works across the entire data lifecycle to provide enterprises with secure data sanitization, help proving regulatory compliance, and the means to re-sell, re-purpose or dispose of data assets at end-of-life as you see fit.

Key Selling Points

- Ensure data has been erased from any drive, from HDDs and self-encrypting drives to SSDs and NVMEs
- Receive a tamper-proof audit trail for all assets, with a digitally signed Certificate of Erasure for each erasure instance and timestamps to monitor each step of the process
- Process loose drives and Chromebooks with ISO Image Installer, including a report viewer to track progress and specifically designed key diagnostics
- Minimize manual processes with IBR workflows
- Full NIST compliance with support for NIST Purge and Clear, featuring full records of unsupported incidents for transparent auditing
- Delete sensitive data from SSDs without compromising drive functionality with PSID revert
- Create custom erasure standards during overwrites to meet your unique standards
