

Dell Wired Keyboard - KB216(KB216-BK-UK)

Dell KB216 - Keyboard - USB - black - retail

The Dell multimedia keyboard provides a convenient keyboard solution for everyday home or office computing uses.

Key Selling Points

- Multimedia keyboard for everyday home or office use
- Multimedia keys for quick actions and commands
- Comfortable, desk-centric design

Product Features

Multimedia keyboard for everyday home or office use

The Dell multimedia keyboard provides a convenient keyboard solution for everyday home or office computing uses. The keyboard's full layout with chiclet style keys allows for efficient, comfortable typing - excellent for everyday usage on virtually any task at hand. Durable and made of flexible materials, the Dell multimedia keyboard is also spill resistant.

Multimedia keys for quick actions and commands

The convenient multimedia keys let you easily access functions such as play, pause, rewind, and fast-forward plus volume control.

Comfortable, desk-centric design

Compact, yet featuring a full-sized keyboard and number pad, the Dell multimedia keyboard is ideal for home and office environments. With a durable build and quiet keys, it's designed to provide comfort for the everyday demands of desktop usage.
