Transform the way you collaborate - a Zoom-certified keyboard with built-in touch controls for Zoom and rechargeable mouse combo puts increased productivity and effortless collaboration right at your fingertips.

Key Selling Points

Collaborate effortlessly
Ultra-quiet typing
Intelligent illumination
Made to fit your hand
Work everywhere

Product Features

Collaborate effortlessly
The innovative touch controls for Zoom let you mute and unmute your microphone, toggle video on and off, share your screen and bring up the chat panel by double-tapping on the icons. You can swipe left or right across the icons to enable or disable them during a meeting and, once the meeting ends, the icons disappear from the keyboard.

Ultra-quiet typing
Get optimal type-feel without the noise thanks to the scissor-switch key design. Engineered to be satisfying and silent at the same time.

Intelligent illumination
Smart backlighting with hand-proximity-detection lights up the keys as you get close, helping you to work better in any environment. Turns off in brighter conditions to conserve battery power.

Made to fit your hand
The contoured design of the mouse fits the shape of your hand for a comfortable palm grip to help you work efficiently and stay comfortable.

Work everywhere
Thanks to the track-on-glass sensor you can easily work wherever you need to from glass and wood, to park benches and café tables alike. The dpi is adjustable from 800 to 8000 in increments of 200 so you can dial in the mouse to your preferences. The ultra-smooth gliding feet create a smooth and quiet glide as you move the mouse for a more satisfying user experience.

Main Specifications

Product Description	Dell Premier KM900 - keyboard and mouse set - collaboration - QWERTY - UK - graphite Input Device
Device Type	Keyboard and mouse set
Backlit	Yes
Interface	2.4 GHz, Bluetooth 5.1
