

Targus(AKM610UK)

Targus - Keyboard and mouse set - combo - full size - wireless - 2.4 GHz - QWERTY - UK - black

The Targus keyboard and mouse set offers a combination of functionality and comfort for PC users. Featuring a full-size QWERTY keyboard with adjustable height and a numeric keypad, this combo enhances productivity across various tasks. With wireless connectivity utilizing a USB receiver and 2.4 GHz interface, users can enjoy a clutter-free workspace with reliable performance. The optical mouse with a movement resolution of 1600 DPI ensures precise control and smooth navigation, suitable for both casual users and professionals.

Key Selling Points

- Full-size QWERTY keyboard with adjustable height for ergonomics
- Wireless connectivity for a clutter-free workspace
- Optical mouse with 1600 DPI for accurate tracking
- Includes a numeric keypad for data entry
- Plug-and-play compliance for setup

Product Features

- Comfortable design**
The keyboard features adjustable height, allowing users to customize their typing angle for better comfort during extended periods of use.
- Reliable connectivity**
Utilizing a 2.4 GHz wireless interface, this keyboard and mouse set provides a stable connection while minimizing delays, ensuring that every keystroke and movement is registered without interruption.
- Versatile functionality**
With a full-size layout and numeric keypad, this keyboard set is perfect for tasks, from everyday typing to intensive data entry.
- Optimized performance**
The optical mouse's 1600 DPI ensures quick and precise movements, contributing to a seamless user experience for work or leisure.
- Easy setup**
The Plug-and-Play design allows for straightforward installation, letting users start tasks immediately without additional software or drivers.
