Product Features

- DefenseGuard antimicrobial protection**
A continuous cleaning innovation designed to prevent and eliminate the growth of bacteria. It delivers a durable, cleaner surface. Proven to protect against germs it won't wear off or wash off, it is designed for life. Testing of Targus materials including the JIS Z 2801 standard at independent laboratories has demonstrated 99.9% reduction of Staphylococcus aureus (Staph Infection) and Escherichia coli (E. coli). BPR and EPA compliant, silver antimicrobial agents have been infused into Targus DefenseGuard products for all-around protection, neutralizing bacterial threats to your product for its lifetime.
- Comfortably create**
With its split, ergo design it supports a natural wrist position rather than forcing hands and wrist to straighten.
- Small and mighty**
Unfold this lightweight, pocket-sized keyboard, powered by a rechargeable battery with 36-hour battery life, you are good to go for hours at a time.
- Universal compatibility**
With reliable Bluetooth 5.1 connection, pair and store your iOS, Android or Windows smartphone, tablet or laptop, seamlessly toggling between devices using the QWE keys.
