

HP 125 G2(AY2Y7AA#ABU)

HP 125 G2 - Keyboard - 100% - full size - USB - UK - black

The HP 125 G2 keyboard combines reliability with essential functionality, making it a choice for both home and office use. Featuring a wired connection via USB, this keyboard ensures a stable and uninterrupted connection, allowing you to focus on your work without worrying about battery life. Its straightforward design and user-friendly interface enhance productivity, providing a seamless typing experience.

Key Selling Points

- Wired connectivity for stable performance
- USB interface for easy Plug-and-Play setup

Product Features

- Reliable wired connectivity**
The HP 125 G2 keyboard utilizes wired connectivity technology that ensures a consistent and reliable connection. This feature is ideal for users who prefer not to deal with the unpredictability of wireless devices.
- User-friendly USB interface**
Designed with a USB interface, this keyboard allows for effortless connection to compatible devices. Simply plug it in and start typing without the need for additional software or configuration.
