

Tapo C210 V1 - network surveillance camera(TAPO C210)

Tapo C210 V1 - Network surveillance camera - pan / tilt - colour (Day&Night) - audio - wireless - Wi-Fi

Receive a notification whenever your camera detects motion and see a video clip of this motion to check everything. Also, you can personalize your own experience by setting motion zones to only capture what happens in the area that you choose.

Key Selling Points

- High-definition video records every image in crystal-clear definition
- Advanced night vision provides a visual distance of up to 30 ft
- Motion detection and notifications notifies you when the camera detects movement
- Two-Way Audio enables communication through a built-in microphone and speaker

Product Features

- Advanced night view helps guard you while you sleep**
Don't wake up your loved ones when you crack open their doors to check on them. Watch over from your phone with 30 ft of night vision. You'll have peace of mind, and they will have a good night's sleep.
- High definition video**
High definition video provides more clarity and sharpness in pictures due to a higher number of pixels. This helps with identification and recognition from afar.
- Live view and two-way audio**
With the Tapo C210, you can see what exactly happens in your home, no worry any more. Also, you are able to communicate with loved ones through the built-in microphone and speaker.
