The Vision Audio Visual charger is a power adapter designed to meet the charging needs of both cellular phones and tablets. With a 30 W power output, it ensures your devices receive efficient charging. The charger features a 24-pin USB-C output connector, making it compatible with a wide range of modern electronics. It adheres to several compliance standards, including CE/EMC, ISO 9001:2015, LVD, MFi, RoHS, and WEEE, ensuring it meets high quality and environmental standards. Whether at home or in the office, this charger is the perfect solution to keep your devices powered and ready to go.

Key Selling Points

- 30 W of power for efficient device charging
- 24-pin USB-C output for wide compatibility
- Complies with CE/EMC, ISO 9001:2015, and more for high quality assurance
- Designed for both cellular phones and tablets
- Single input connector for ease of use

Product Features

- Efficient charging**
Designed specifically for cellular phones and tablets, this power adapter ensures your devices are charged efficiently and safely. With a 30 W power output, it provides the optimal charge to keep your devices powered throughout the day.
- Universal compatibility**
Featuring a 24-pin USB-C output connector, this charger offers wide-ranging compatibility with various devices. Its design accommodates the needs of modern electronics, making it a versatile accessory for your charging needs.
- Quality assurance**
Adhering to multiple compliance standards including CE/EMC, ISO 9001:2015, LVD, MFi, RoHS, and WEEE, this charger ensures high-quality performance and reliability. Its certification ensures it meets global quality and environmental standards.

Product Type	Power adapter
Designed For	Mobile phone, tablet
Colour	White
Localisation	Europe
Output Connector Type	24 pin USB-C
Power Provided	30 Watt
Manufacturer Warranty	Limited lifetime warranty

Extended Specification

General

Product Type	Power adapter
Designed For	Mobile phone, tablet
Enclosure Colour	White
Localisation	Europe

Manufacturer Warranty

Service & Support	Limited lifetime warranty
-------------------	---------------------------

Miscellaneous

Compliant Standards	RoHS, WEEE, CE/EMC, LVD, ISO 9001:2015, MFI
---------------------	---

Power Device

Input Connectors	Power CEE 7/7
Input Connectors Qty	1
Output connectors	24 pin USB-C
Power Provided	30 Watt

Dimensions & Weight (Shipping)

Shipping Width	16 cm
Shipping Depth	7 cm
Shipping Height	2.5 cm
Shipping Weight	80 g
