

Airtame 2 PoE Adapter(AT-POE)

AIRTAME 2 - PoE injector - for P/N: AT-DG2

Elevate your Airtame 2 experience with this PoE Adapter - an easy upgrade for seamless connectivity. Simplify your setup, reduce costs, and enhance reliability effortlessly. This 2-in-1 solution powers your Airtame and connects it to your network with ease. Transform your workspace with a straightforward upgrade that brings efficiency and performance. Upgrade at your pace.

Key Selling Points

- External form factor for easy integration
- Ensures devices remain operational with reliable power

Product Features

- Efficient form factor

The external form factor of the AIRTAME 2 UPS and power device ensures it can be easily integrated into any workspace, providing reliable power without taking up valuable space.
- Reliable power supply

Designed to offer a steady and dependable power source, the AIRTAME 2 ensures your devices remain operational, minimizing downtime and enhancing productivity.

Main Specifications

Product Description	AIRTAME 2 - PoE injector
Device Type	PoE injector - external
Power Over Ethernet (PoE)	PoE
Output Voltage	5 V
Input Connectors	RJ-45
Output connectors	1 - 5 V 2 A
Designed For	P/N: AT-DG2

Extended Specification

General	
Device Type	PoE injector - external
Power Over Ethernet (PoE)	PoE (IEEE 802.3af)
Expansion / Connectivity	
Interfaces	1 x USB
Miscellaneous	
Features	Surge protection, LED indicators, clamping protection
Compliant Standards	FCC, ISED, IEEE 802.3af, IEEE 802.3at

Environmental Parameters

Min Operating Temperature	0 °C
Max Operating Temperature	40 °C
Humidity Range Operating	20 - 90% (non-condensing)

Power Device

Input Connectors	RJ-45
Power Output Connectors Details	1 - 5 V 2 A
Output Voltage	5 V
Max Electric Current	2 A
Surge Suppression	Yes

Compatibility Information

Designed For	P/N: AT-DG2
