

## **UAG Essential Armor Series - back cover for mobile phone(114496114040)**

### **UAG Essential Armor Series - Back cover for mobile phone - MagSafe compatibility - black - for Apple iPhone 16e**

The UAG Essential Armor Series protective cover provides robust protection for cell phones without sacrificing style. Designed with a lightweight structure and enhanced corner protection, this back cover ensures your device remains safe from drops and bumps, complying with MIL-STD 810G 516.6 standards. Built-in magnets facilitate a seamless connection to MagSafe accessories, while oversized tactile buttons enhance usability. Additional attributes such as the raised camera bezel and co-molded design contribute to its functionality and aesthetic appeal, making it a practical choice for anyone seeking durability in a phone case.

### **Key Selling Points**

Designed for cell phone protection with impact and drop resistance  
Lightweight with enhanced corner protection  
Built-in magnets for easy attachment to MagSafe accessories  
Oversized tactile buttons for improved accessibility  
Compliant with MIL-STD 810G for reliable durability

### **Product Features**

#### **Durable protection**

This protective cover features a co-molded design that offers impact, bump, and drop protection, with a maximum drop height of 4.6 m to keep your device secure.

#### **User-friendly design**

With oversized tactile buttons, this cover allows for easy operation of your phone, ensuring that buttons are responsive and accessible while in use.

#### **MagSafe compatible**

The integrated built-in magnets provide compatibility with MagSafe, allowing for effortless attachment of various accessories that enhance your mobile experience.

#### **Raised camera bezel**

The raised camera bezel protects your camera lens from scratches and damage while allowing for clear vision and easy capturing of photographs.

#### **Lightweight construction**

Designed to be lightweight, this case adds minimal bulk to your device, making it easy to carry without compromising on protection.
