

Google Pixel Flex power adapter - dual port - 24 pin USB-C - 67 Watt(GA09856-GB)

Google Pixel Flex - Power adapter - dual port - 67 Watt - 4 A - PD 3.2/PPS - 2 output connectors (24 pin USB-C) - snow - United Kingdom

The Google Pixel Flex is a power adapter designed for those who demand efficiency and reliability. Featuring dual ports and providing 67 W of power, this fast charger can handle multiple devices at once without compromising performance. Made from a combination of plastic and metal, it incorporates 14% recycled materials, reflecting a commitment to sustainable practices.

With a voltage range of 5 to 21 V and a maximum electric current of 4 A, this charger adapts to the needs of various devices, delivering fast charging capabilities through Power Delivery 3.2 + PPS technology. Experience the convenience and versatility offered by the Google Pixel Flex, ensuring devices are powered up and ready to go in no time.

Key Selling Points

- Dual port design allows charging of multiple devices simultaneously
- 67 W of power ensures rapid charging for devices
- Features a voltage range from 5 to 21 V for diverse compatibility
- Constructed with 14% recycled materials promoting sustainability
- Fast Charge Technology with Power Delivery 3.2 + PPS for efficiency

Product Features

- Efficient dual port design**
The Google Pixel Flex includes two output connectors, allowing users to charge multiple devices at the same time, reducing wait time and increasing convenience.
- Powerful charging capabilities**
With an output of 67 W, this power adapter provides fast and efficient charging, suitable for everything from smartphones to laptops.
- Versatile voltage options**
The charger offers a wide voltage range between 5 and 21 V, making it compatible with a variety of devices across different brands.
- Sustainable materials used**
Constructed from a mix of plastic and metal, this charger is made with 14% recycled materials, reflecting an environmentally conscious design approach.
- Advanced fast charge technology**
Featuring Power Delivery 3.2 and PPS technology, the Google Pixel Flex ensures fast and reliable charging for compatible devices, enhancing the user's experience.

Main Specifications

Product Description	Google Pixel Flex power adapter - dual port - 24 pin USB-C - 67 Watt
Product Type	Power adapter
Dimensions (WxDxH)	5.03 cm x 3.4 cm x 69.5 cm
Weight	164 g
Colour	Snow
Localisation	United Kingdom
Output Connector Type	Total 2: 24 pin USB-C
Voltage Required	AC 100-240 V (50/60 Hz)
Voltage Provided	5 / 9 / 11 / 15 / 20 / 21 V
Max Electric Current	4 A
Fast Charge Technology	Power Delivery 3.2 + PPS
Power Provided	67 Watt
Product Recycled Content	14 % - made from recycled materials

Extended Specification

General

Product Type	Power adapter
Width	5.03 cm
Depth	3.4 cm
Height	69.5 cm
Weight	164 g
Enclosure Colour	Snow
Localisation	United Kingdom

Miscellaneous

Material	Plastic, metal
Product Recycled Content	14 % - made from recycled materials

Power Device

Voltage Required	AC 100-240 V (50/60 Hz)
Voltage Provided	5 / 9 / 11 / 15 / 20 / 21 V
Output connectors	Total 2: 24 pin USB-C
Power Provided	67 Watt
Max Electric Current	4 A
Fast Charge Technology	Power Delivery 3.2 + PPS
