

Kensington EQ - notebook carrying backpack(K60391WW)

Kensington EQ - Notebook carrying backpack - 14"

The Kensington laptop backpack is designed with both style and functionality in mind. It offers a comfortable carrying experience thanks to its padded shoulder straps and breathable mesh back. The backpack is equipped with a variety of convenient features including a side bottle pocket, a top carrying handle, and a secure zipper closure, making it a versatile choice for daily commutes or longer travels. Its spacious compartments provide ample storage for all essentials, along with a dedicated space for up to a 14-inch laptop. Made from durable PET material, it ensures the safety and protection of your devices and accessories against daily wear and tear. Whether for professional use or academic purposes, this backpack is a reliable companion for anyone on-the-go.

Key Selling Points

- Breathable mesh back for enhanced comfort during extended wear
- Padded shoulder straps and top carrying handle for versatile carrying options
- Side bottle pocket for convenient access to hydration
- Zipper closure to secure belongings safely
- Designed to fit a 14-inch laptop, suitable for most users

Product Features

- Ergonomic design**
The Kensington laptop backpack features padded shoulder straps and a breathable mesh back, ensuring comfort for prolonged use. Its ergonomic design makes it an ideal choice for professionals and students alike.
- Spacious storage**
With additional compartments including a side bottle pocket, this backpack offers ample space for all essentials. The dedicated notebook compartment safely accommodates up to a 14-inch laptop, making it perfect for daily commutes or travel.
- Durable material**
Crafted from PET, the backpack is not only environmentally friendly but also durable enough to withstand the rigors of daily use. Its resilience ensures that both the device and the accessories are protected, regardless of the weather conditions.
