

HP Renew Executive - notebook carrying backpack(6B8Y1UT)

HP Renew Executive - Notebook carrying backpack - 16.1" - black - Smart Buy

The HP Renew Executive backpack is designed to offer a blend of style and functionality for professionals on the go. Made from 100% ocean-based recycled plastic, this environmentally friendly backpack does not compromise on quality. It features a padded compartment compatible with 16.1-inch notebooks, ensuring devices are well-protected during travel. The expandable design allows for additional storage, making it ideal for carrying documents, a power bank, a bottle, and other essentials.

With thoughtful organization options, the HP Renew Executive backpack includes numerous compartments for documents, pens, and an umbrella. The RFID blocking pocket provides peace of mind against identity theft. Designed for comfort, this backpack has a water-repellent exterior and a convenient top carry handle, making it suitable for various environments and weather conditions. Its lockable zipper adds an extra layer of security for valuable items, ensuring everything is safely stored during commutes or trips.

Key Selling Points

- Expandable design for increased storage capacity
- Rfid blocking pocket to protect against identity theft
- Water-repellent material for durability in various conditions
- Padded compartment accommodates 16.1-inch notebooks
- Multiple organizational compartments for easy access to essentials

Product Features

Durable and eco-friendly construction

Crafted from 600D and 210D polyester along with 100% ocean-based recycled plastic, this backpack is robust and environmentally conscious, reducing waste while providing reliable use.

Organized storage solution

Including compartments specifically designed for notebooks, documents, pens, and a bottle, the backpack allows users to keep their essentials neatly arranged and easily accessible.

Secure and convenient design

Features such as a lockable zipper and RFID blocking pocket offer enhanced security, while the cable pass-through makes it easy to charge devices on the go.

Comfort-oriented

The backpack includes a top carry handle for easy transport, and its ergonomic design ensures comfort during extended wear, making it perfect for daily commutes or business trips.

Water-resistant capabilities

The water-repellent fabric protects stored items from unexpected rain or spills, making it a reliable choice for outdoor activities or variable weather conditions.
